Mike Polelwyk shows his sunken treasure to
Senior Sergeant Allan Collie.

From Davey's locker

"Oh, bee-oudy!
We're rich," thought
a group of elated
boys.

Huddled around
Altona pier, the boys' eyes glistened as they stared at the sunken treasure which had been dragged out of the sea.

Michael Polelwyk, 14, of Mount Street, Altona, salvaged booty.

"About 14 kids were fishing. I was just diving around a bit when someone yelled: 'Hey, there's a case over there,'" Michael said.

"I went under and had a look. I thought it was all fake at first.

"There were some price tags on the stuff so we took it to the police."

A police spokesman said inquiries were being made to contact the suitcase's owner.

"It is nothing fabulously wealthy. I would estimate the value at about \$200," the spokesman said.

The case contained costume jewelry.

LIKE WRITING TO OLD GIRL FRIEND

Writing to the Minister for Education, Mr. Thompson, "could be compared with a chap writing letters to his ex-girlfriend," Cr. Pat Lynch told last week's meeting of Altona council.

"He writes, but she never answers", he said.

Cr. Lynch was commenting on the teacher shortage in Altona and the need for a teachers' college in the western suburbs.

"We have sent five letters to the Minister in five years, telling him that land is available for a teachers' college", Cr. Lynch said.

"We are very badly done by in the western areas and with the Government back in power we can only hope that some of the dead wood is chopped off and people realise that children here are entitled to the same treatment as children living on the other side of town".

Letters

Council was discussing letters from the advisory councils of Altona and Altona North high schools.

President of the Altona

high school advisory council, Mr. W. A. Haining wrote to council, forwarding copies of correspondence to the Minister of Education, Mr. Thompson, relating to the appointment of a permanent principal at the school and asking for council's consideration and support.

Difficult

Cr. Lynch said he would attend the next meeting of Altona high's advisory council and bring back a full report to council.

President of the Altona North high school advisory council, Mr. E. E. Barker said in his letter to council that the advisory council was most concerned over the difficulties experienced in encouraging teaching staff to work in west suburban schools — at Altona North in particular.

He wrote: "With the

rapid growth in school population in the western suburbs, this advisory council feels very strongly that as teachers trained in eastern and central colleges cannot be attracted to the western suburbs, the immediate establishment of a teachers' college in the western suburbs is imperative as the first step in encouraging teachers to this area.

"At present western suburbs students are discouraged from entering the teaching profession, especially at secondary level due to transport difficulties to training institutions.

"Furthermore, some who succeed in making the quota have been rejected for teaching studentships. It is felt that these students who have received their basic education in western suburban schools, if given the opportunity, would be most happy to take up

teaching positions in this area which has been acknowledged repeatedly to this council by the Minister of Education to be difficult to staff.

"It is, therefore, urged that you give paramount consideration to the establishment of a teachers' college in this area in the immediate future."

Cr. Doug Grant commented: "It would be better for the citizens of Victoria and the people and students of Altona if the Education Department was more flexible in their attitude."

College

Cr. Ray Richards moved that Mr. Barker's letter be referred to the next council general purposes committee meeting, where it could be discussed fully.

"I believe we should encourage our new local member of parliament, Mr. Stirling, to push for

a teachers' college," he said.

"I'm not saying the college need be in Altona," said Cr. Richards, "but in the western suburbs. At any rate the transport in Altona is probably too bad."

The motion by Cr. Ray Richards was passed along with an addendum from Cr. Pat Lynch that council obtain from the principals of each schools their staff numbers.

Cr. Ray Richards commented: "We're talking about 95 homes to the acre with the current proposal.

Cr. Grant said: "I don't agree with the concept of the project but I would move that this council ask the Housing Commission to reconsider it's proposal and that they do not provide a housing density for more than 3000 or 3500 people."

Earlier in the meeting, Cr. Ian Stewart, who holds council's town planning portfolio, said he and members of council staff had seen Melbourne City Council's recreation officer, Mr. Judy Patching, to seek information on recreation facilities and determine what the needs of Paisley Village would be.

acre, this estate should only accommodate about 3000 people," he said.

"Such a density would be less inconvenient to people living in surrounding areas."

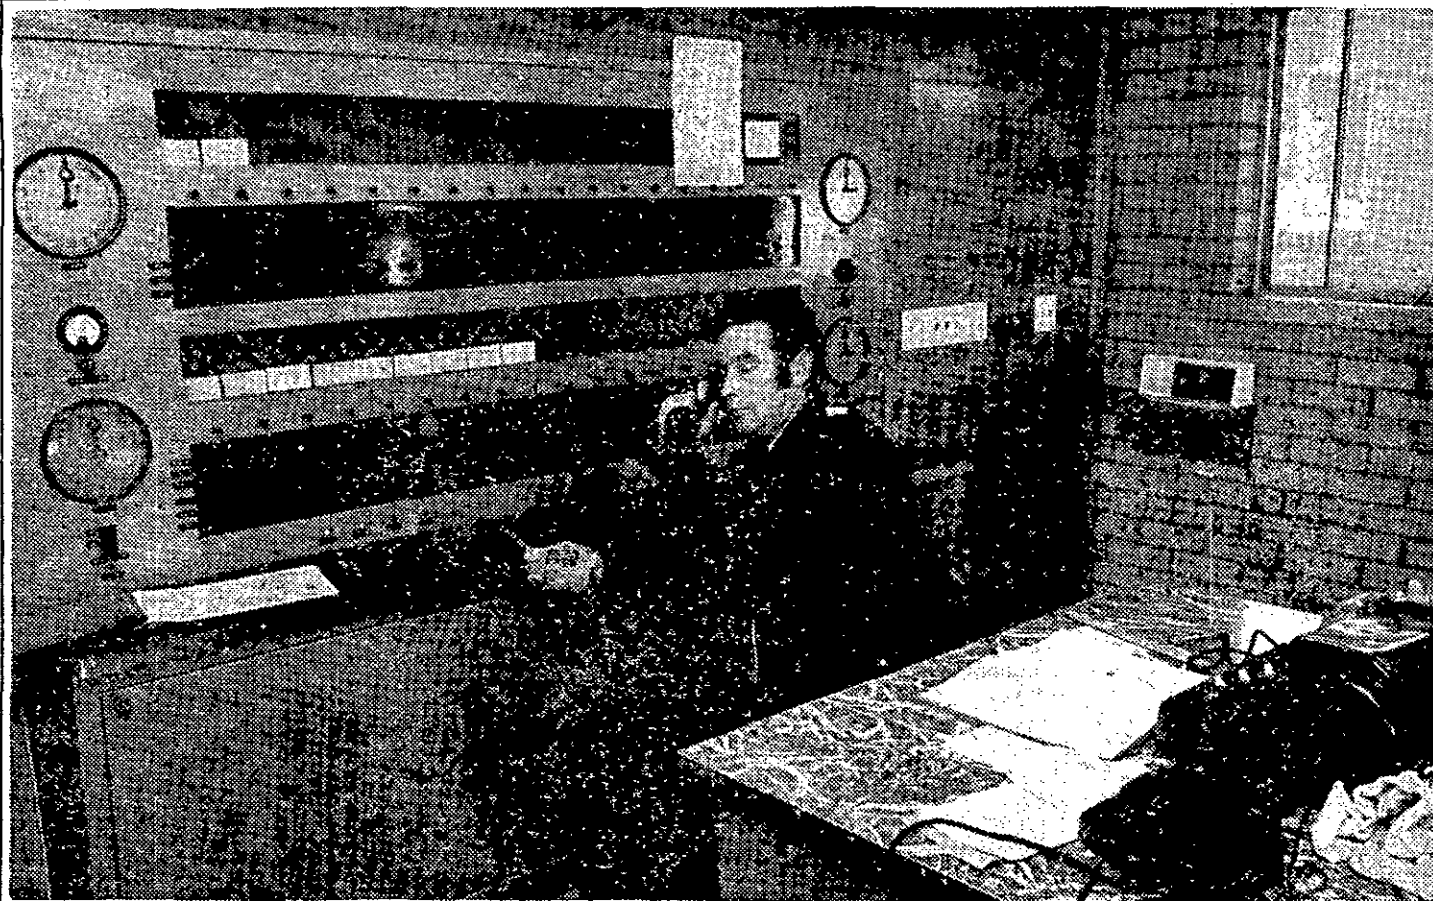

Cr. Ray Richards commented: "We're talking about 95 homes to the acre with the current proposal.

Cr. Grant said: "I don't agree with the concept of the project but I would move that this council ask the Housing Commission to reconsider it's proposal and that they do not provide a housing density for more than 3000 or 3500 people."

• John Russell answering the alarm board at Altona Fire Station.

Fireman's life is getting tougher

Becoming a fireman is a lot harder now than it was when Mr. John Russell started his training.

Yet it's more popular than ever before. Mr. Russell is station officer at Altona fire station.

He says the Leaving certificate is now a minimum requirement and even university students apply for jobs.

Many of them get knocked back—there just aren't enough vacancies.

"Firefighting is becoming more and more scientific," Mr. Russell said, showing the contents of the fire truck which had various chemicals used in putting out oil fires.

He said the main causes of domestic fires were people smoking in bed, electric blankets and oil heaters.

Fires wouldn't be so dangerous if people kept their premises tidy," he said.

"A lot of houses look neat from the outside but they're shambles inside."

One of the worst fires Mr. Russell has ever attended was at Newmarket woolstores.

Industrial complexes in the area have hidden dangers.

"There was a chap cleaning a tank at an Altona oil company. It had a residue of toxic gas and when he went down too far, it hit him," he said.

"Our senior officer, Mr. G. O'Connor gave him external heart massage after he got him out and gave him oxygen."

Mr. Russell, who has been a fireman for 12 years, was apprehensive when he first started training.

"I didn't like the idea of jumping out of windows into sheets," he said, "but now I wouldn't swap this job for anything."

The station has an alarm board with direct lines to other stations. Within 25-30 seconds after receiving an alarm, the firemen are on the road.

For relaxation Mr. Russell likes to spend as much times with his family as he can.

His children — Simone 6, Jason 4, and Craig 2 — love coming down to the station.

Protective clothing for firemen is surprisingly light.

They wear a woollen jacket, which is specially dry-cleaned with non-inflammable materials, ordinary trousers, leather shoes with industrial soles, a helmet—and courage.

ALPIN GOES

Mr. Philip Alpin, process manager of Petroleum Refineries (Australia) Pty. Ltd., Altona, has been appointed operations manager of Mobil Oil Australia Limited's new lubricating oil refinery in Adelaide.

Philip Alpin.

Prior to taking up the position, Mr. Alpin will tour overseas to study the design and operating technology of oil refineries.

Mr. Alpin is well known in the Altona district through his participation in community affairs — particularly as a member

of Altona high school advisory council.

Mr. Bob Angel, from PRA's Adelaide refinery, will transfer to Melbourne and will start as process manager, Altona, on June 1.

POLICE GET PAT ON THE BACK

The police force did wonderful work in the welfare field, Mr. Keith Flack, secretary of the State Relief Department, said last week.

"It is unknown to the public," he said.

Mr. Flack, who is involved in welfare work

for the needy, said that some people seemed to regard the police as overbearing.

"I certainly don't," he said. "I happen to work with them in close liaison with everyday problems. They do a fantastic job."

Mr. Flack, who was addressing Altona Lions, said one family he knew did not have the foresight to fully insure their possessions. Then their home burned down.

"State relief helps burned-out families," he said.

"If there is not a benevolent society in the area

the local police do the investigation."

Mr. Flack read to the Lions what he said was a typical policewoman's report.

The policewoman said that a widow left with a family to support was loath to receive assistance.

"She insists she will manage," wrote the policewoman.

"However, I consider her condition is desperate."

Mr. Flack commented: "A consignment of aid was sent up to the woman".

Seaholme to get toilet block

Work on a toilet block at the W. G. Cresser Reserve, Seaholme, is expected to start in about a month.

Altona Council has received a \$7200 grant from the tourist fund towards the cost of the toilets.

Council's contribution will be \$1800.

Val's Column

Hello Girls,

What shade of nail enamel are you wearing? No it doesn't really matter nowadays.

Way out colors like blue, green, black or yellow — to name a few — in cream or frost, transparent or bold, it doesn't matter — but you must have a good nail shape.

Yours might be one of the deep solid tans, reds or plum colors, once again, you need a good nail shape. Not You like pale shades — I hope they are the pink pinks or pearly white — or maybe the gold dust oranges — still, you need to be proud of a good nail shape.

How do you keep this shaping, especially if you have tough, but brittle nails — or soft splitting peeling nails?

Firstly — Revlon silicare massaged onto your hands before working shields them. A good protein hand cream at all other times — Revlon's is tops.

Now, if you are are fortunate to have easy to manage nails — remember your enamel lasts longer, looks better if firstly you apply Wonder Wear. Wonder Wear has protein conditioners to keep your nails in tip top order before you apply your polish.

When your nails need extra help, after a sickness, if you're constantly in water, things like this; now is the time to use Wonder Nail to fortify, feed under-nourished nails before polishing.

Remember, I asked if your nails are flexible and fragile? Your base coat to ask for is Superbase. Or was yours a tough, brittle nail? Ask for Frosted Prolife. These two give added life, strength to your nails.

Girls — colder weather makes your enamel slower to dry — right? Here is where Revlon is tops — Think of Quick Dry. An aerosol can of quick setting conditioning liquid, girls. It is a quick starter to that maddening drying process.

Bye.

What future for our great white elephant?

A \$2 million brick and mortar "white elephant" is sitting empty in Kororoit Creek Road, Williamstown, while three Federal Government departments work out its future.

It is the Wiltona Migrant Hostel — empty since November last year.

Two Federal departments — Labor and National Service and Housing — have exchanged responsibility, while the third, Immigration, is picking up the bill for maintenance.

At the same time local authorities have petitioned the Government to stop the wastage and put the huge complex to some practical use.

One source said the complex could be put to use as single men's quarters to offset a disappearing labor pool in the western region.

But so far nothing. The camp was closed in November, three months after British migrants complained that it was too close to a Petroleum Refineries of Australia crude oil and pumping station.

Their complaints followed a fire in the station last year. The blaze was brought under control before it reached the storage tanks.

However migrants were reported as saying that another fire could result in a disaster of "national proportions".

The complex was rebuilt and completed two years ago. The crude oil farm and pumping station were built on their present site as far back as 1949.

Federal designers made Wiltona into a hostel showpiece. It was built in flat style, although without individual cooking facilities.

It contains a central kitchen and dining room, child minding centres, central laundry and storage areas.

Today a gardener maintains the pleasant lawned and treed grounds.

The administrative history of the hostel began with management being handed to Commonwealth Hostels Ltd., a company set up by the government.

At the same time pol-

icy issues were handled by the Department of Labor and National Service.

With the election of the Labor government last December policy decisions became the responsibility of the Department of Housing.

A spokesman for the Director of Housing operations told the Advertiser: "Frankly I don't know what we will do with it."

"It is not necessary to use it now, as the migrant intake has dropped and there is other adequate accommodation."

"At this stage I can say that there is a freeze on its disposal."

The spokesman said that three other hostels, in NSW and South Australia had been closed because of the low intake figures.

Thieves in bid to rob church

Detectives are investigating acts of sacrilege at the Ukrainian Orthodox Church which serves its adherents throughout Melbourne.

The church is in Buckley Street, Moonee Ponds. It is led by the Rev. Father U. Stasyshyn.

Fr. Stasyshyn said yesterday adherents came from, among other areas, Essendon, Moonee Ponds, Footscray, Altona, Williamstown and Noble Park.

Police have been told intruders got into the church — it is not known how — and ransacked the office areas.

Drawers and cupboards were searched

and their contents scattered around the building. Locks were smashed from some cupboards.

Detectives from Moonee Ponds CIB are heading the investigation.

Spastic kids get \$1000

Members of the Altona Spastic Aid committee gave the Chis-Lon centre \$1000 last week.

The money will be used to rebuild the junior section of the centre.

A senior member of the committee, Mrs. Shields, handed over the cheque to Mrs. Wilkinson, supervisor of the centre.

Part of the money — about \$200 was raised at a recent stall held in aid of the centre.

Now off on a tour

A honeymoon tour of Victoria followed the late afternoon wedding of Danuta Szczygalski and Robert Kirkwood at St. Augustine's Roman Catholic Church, Melbourne.

The Rev. Fr. Quinlan officiated.

The bride is the second daughter of Mr. and Mrs. S. Szczygalski, of Hare Street, Fawkner and the groom is the second son of Mr. and Mrs. A. Kirkwood, of Cyclamen Avenue, North Altona.

Stanislawa Szczygalski, the bride's sister, with Sylvia Kapatarkis and Teresa Tomczak were bridesmaids. Ray Wilborg acted as best man and the groom's brother, Bill Kirkwood, and Denis Ryan were groomsmen.

Altona's acting city engineer, M. Algje Jokubauskas, made the following report on council works to last week's meeting of Altona Council:

● Kororoit Creek — Duplication: Construction of box culverts across northern carriage-way at Grieve Parade was completed.

Cement — stabilised fine crushed rock layer to underside of kerb and kerb and channel between Grieve Parade and Cherry Drain was completed.

Laying of conduits for future traffic lights at intersection is in progress.

DAVID v. GOLIATH IN THE BIG SOCCER CUP

By LAURIE SCHWAB

Two David and Goliath battles featuring western suburbs clubs will take place at Middle Park on Monday. At 1 p.m. Second Division club, Albion Rovers, will tackle Alexander, and at 2.45 p.m. St. Albans takes on 1972 State League champion South Melbourne-Hellas.

The matches will be two of eight Dockerty Cup fixtures to be played on Monday as double headers at four different venues.

Other Metropolitan League clubs left in the State-wide cup competition are Ferntree Gully and Mooroolbark which meet Wilhelmnia and Melbourne respectively at Jubilee Park in Ringwood.

In the league round, Altona City steals the limelight with its clash against second-placed Mooroolbark at Kim Reserve in Millers Road on Saturday.

In State League local clubs George Cross and Footscray J.U.S.T. will meet at Schintler Reserve on Sunday.

Austria is at home to Hakoah on Saturday and Polonia will play against Hellas at Middle Park on Sunday.

Other local matches are Keilor v. Lions at St. Albans, Ajax v. Yallourn at St. Albans, Albion Rovers v. Ferntree Gully at Albion and Werribee v. Langwarrin at Werribee.

Albion Rovers v. Alexander

Strengthened three weeks ago by former Juventus, George Cross and Hellas player John Pryde, Albion Rovers now has its best chance yet of being promoted to First Division.

With Gordon Douglas kicking goals regularly, Rovers are now in second place behind Makedonia and have enough talent to at least stay there.

Ray Langdale has returned from England, Hugh Donnelly has been recruited from Croatia and Billy Rae has switched from Hakoah.

Among other Albion players are well-known Hugh Murney (ex Hakoah), Dennis Boland (Hakoah), Ernie Ackerley (Hellas) and Charlie McCorquodale (Slavia).

Certainly Albion has the talent to upset Alexander but I doubt it has the fitness.

And by Monday, Alexander should be a different proposition than it has been so far this season.

While in Scotland recently, goalkeeper John Kennedy secured the services of Patrick Bannan, reportedly a brilliant centre back, and George Gullin, a talented striker.

These two will have arrived by Monday, to join two other Scots already playing — Vince Bannan and Ian Gibson.

Gibson has scored three goals already and if Gullin is as good as they say he is, Alexander will suddenly have a forward line.

Its defence is strong enough and will have Douglas and his fellow forwards struggling.

Hellas v. St. Albans

I pity poor St. Albans. By no stretch of...

I pity poor St. Albans. By no stretch of the imagination can the Saints come out of this match with any sort of reputation at all.

The Saints have no forwards, so Steve Walker and John Bedford will have a boring afternoon.

Although their defence is adequate in First Division, it won't be against players like Jim Armstrong, Bill McIntyre, Nat Little and Peter Bourne.

So Saints' defenders Spiro Fragopoulos, Klaus Winkler, Joe Blewer, Alistair McLeod and goalie Lou Denys will be in for a torrid time.

They'll do their best but that won't be good enough.

George Cross v. Austria

George Cross has been far from impressive lately and although it should win its Dockerty Cup match against Austria at Schintler Reserve on Monday, it has little hope of upsetting league leader Footscray J.U.S.T. on Sunday.

The Cross' biggest problem is that it is too slow in attack.

Joe Cunningham is scoring goals but he's an opportunist rather than a constructive player and he lacks pace.

Tom Clarke looks completely unfit and John Gardner got into stride only last week.

Disappointing Paul Murphy will be missing again as he's still serving a suspension, but Dario Epifano will be back.

Epifano is the only speedster in the team, but he hasn't been finding the goals.

Austria also lacks pace and its new-look defence, which looked so good against Polonia, was cracked three times by Alexander last week.

On the credit side, Australia managed to fight back for a 3-3 draw after being 1-3 down at half-time.

The same fighting spirit could give Austria victory against George Cross, but that takes consistency, which Austria doesn't have.

In Sunday's clash, league leader Footscray J.U.S.T. should beat George Cross easily.

J.U.S.T. hasn't been playing well, during the past two weeks.

Against Melbourne, it had to

And Altona City to tackle goal-happy Mooroolbark

sooner Polonia will boost its goals tally.

On Sunday, Polonia meets Hellas at Middle Park in a league match.

If Mike Olinowski's defence can maintain concentration throughout the match, it's by no means impossible for Polonia to draw.

West were laughing all the way, as they were playing with only a makeshift team.

Regulars Jim Pyrgiolis, Chris Kazangidis, Eddy Klimozak and George Adamidis were all absent.

Face-savers for Kellor were Eddy Kupicz who scored twice and Stan Klain and Serge Karbanenko who notched one each.

With this morale-booster behind them, West should continue its winning run by beating Springvale away on Saturday.

Springvale dragged Sunshine down to its own level last week but the league leader finally won 2-0 with goals by Will Laing and Mike Banagan.

On Saturday, Sunshine will be eagerly awaiting the result of the Altona v. Mooroolbark match as it goes about disposing of Ringwood.

Sunday soccer

The Metropolitan soccer league has won its battle for Sunday matches.

First Division clubs Sunshine, Mooroolbark, Frankston, Altona, Yallourn, Ajax and Keilor are all likely to get Sunday matches over a four-week period from the 19th round.

The metropolitan league has been pushing consistently for Sunday games but the proposal was beaten on two occasions, early in the season.

However, the State League management committee has finally agreed.

All that remains now is for the clubs involved to approve the scheme formulated by the State League management committee.

In the past State League clubs have expressed concern that Sunday matches in the metropolitan league would affect State League attendances.

Altona v. M'bark.

Soccer fans who usually ignore reserve matches should think again.

At Kim Reserve on Saturday, they'll get two top class matches for the price of one when Altona clashes with Mooroolbark.

The Mooroolbark reserves, who have a goal average of 53:7, are top of the ladder, with Altona breathing down their necks in second place.

In first grade, Mooroolbark holds second place behind Sunshine and Altona is fourth.

Ironically, if Altona beats Mooroolbark, it will virtually assure Sunshine of winning the championship, for for Sunshine would open up a five-point lead by beating Ringwood, Altona, despite its scoreless draw at Yallourn last week, certainly has the talent to beat the Barkers.

Ian Hynds and his defence played faultlessly in that match but unfortunately the forwards were out of luck.

Mooroolbark has trump cards in midfield, where coach Brian Edgeley and John Howarth are playing well.

However, neither of them is as creative as Willi Czerny who could prove a match-winner if he gets on top.

If Hynds can get a tight grip on Steve Atkins, Altona forwards Bruce Roberts, Tony Hamill and Dave Cooper can do the rest.

Keilor v. Lions

After its disastrous 4-6 loss to Western Suburbs last week, Keilor City must atone by beating Lions at Churchill Reserve on Saturday.

If Keilor scores any more goals against itself, it could break some-kind of record.

And considering the standard

Opposition by the State League sparked threats early this year of a breakaway from the VSF by metropolitan league clubs.

Cruzeiro coming?

Cruzeiro, the Brazilian soccer champion of 1973, may play against Victoria in July.

Cruzeiro played here early last year and was described as the most entertaining team the Melbourne public has seen.

Its national team linkman Dirceu Lopes is rated in Brazil as the man most likely to inherit Pelé's crown as soccer king.

Cruzeiro also has Perfumo, considered by FIFA coach Detmar Cramer as the finest defender in the world today.

The Victorian Soccer Federation is negotiating with Cruzeiro as well as Berlin club Hertha 03.

Hertha is definitely coming to Australia and if the VSF succeeds in signing Cruzeiro, the Germans are likely to play a mid-week match against a State League club.

CITY RACE AWAY

Altona City Under 17's superior teamwork astounded Laverton last Saturday.

City controlled Laverton's destiny and raced away to a convincing 33.26 to 2.2 victory.

City newcomer, John Cimera, booted 10 goals. David Hobbs produced pure class and notched seven goals.

Laverton's isolated attacks were repelled by Peter Mildenhall and Billy Groome instigated numerous attacks.

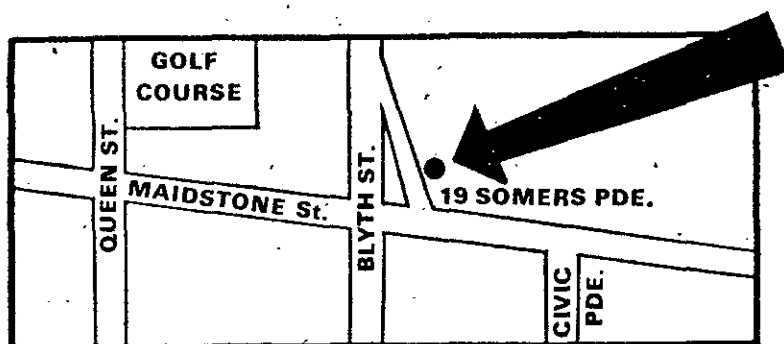

Next week, Altona City

meet Port Melbourne Fourths and should revenge an early season defeat.

Goals: J. Cimera 10, D. Hobbs 7, J. Taylor 3, G. Sorrell, G. Nicholls, W. Groome, G. Knight, J. Schuller 2, G. Hardman, A. Donnelly.

Best: P. Mildenhall, D. Hobbs, J. Cimera, W. Groome, W. Jones, J. Taylor.

Piggy bank robbers

By a Staff Writer

Dry cleaners - who help to raise money for the Red Cross Appeal - are shocked to find that children have stolen a number of collection tins from their counters — one firm lost six tins.

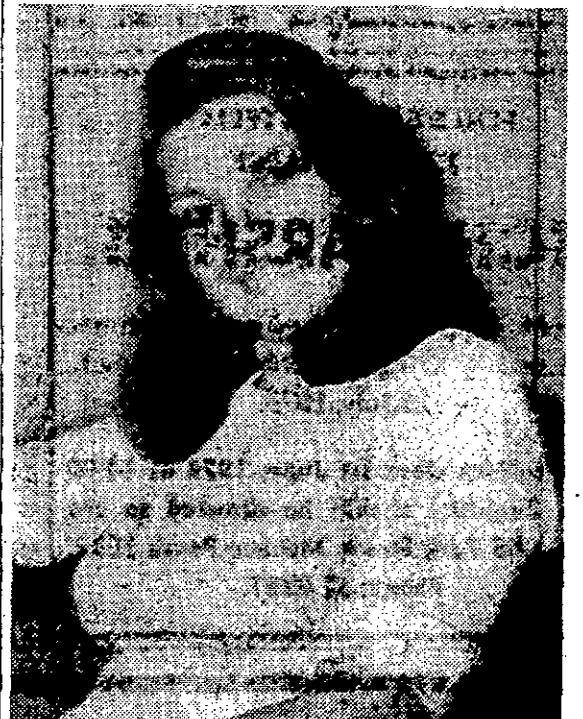

One gang of culprits apprehended by the police was a group of three boys about eight years old, who confessed to having stolen 24 collection tins, belonging to various charities from shops in their local main street.

They admitted opening the dry cleaner's Red Cross tin and removing \$7.80 in small change — which probably ended up in the nearest sweet shop.

It will be disturbing to members of the community that children of such a tender age should be robbing charities in this way.

It is hoped that their parents will take strong action to prevent them becoming professional thieves with the prospect of a period behind bars at some later stage.

PRETTY AS A . . .

Pretty, copper-haired Annette MacIntyre (above) is an entrant in the Miss Williamstown Football Club 1973 quest. Annette, 21, from Spotswood, is a hairdresser. She describes her hobbies as meeting people, squash, theatre, jazz and dress-making. The quest is being organised by Williamstown Football Club social committee. Girls interested in entering the quest are asked to contact Mrs. A. Bernard, 37 Victoria Street, Williamstown.

Historical panel to be repaired

Council agreed to repair the historical panel in the Commonwealth Reserve, depicting the anchor and swivel from HMVS Nelson.

Mrs. M. Mathews, of 1942, until ruthlessly vandalised about a year ago, designed the panel, pointing out that the original sandstone has much to commend it as a satisfactory medium.

The Rifle Club Hotel's weekend country and western outfit, Les Partell and Blue Boys, have decorated the bandstand with an original US Confederate flag.

The flag was air-freighted from North Carolina.

WOOD FOR PENSIONERS

A limited supply of wood is available free to pensioners in the Altona-Williamstown area.

The wood is being made available by an Altona industry and will be distributed at weekends by private motorists.

People interested in applying for supplies should write to The Stroller, 260 Barkly Street, Footscray.

Needy families other than those of pensioners will also be considered for supplies.

Holiday plans for your bread

The following arrangements have been made for bread deliveries during the Queens Birthday Weekend:

Fresh bread will be delivered to all shops on Saturday, June 2.

There will be no baking or delivery on Sunday, June 3.

Fresh bread will be delivered to all shops, Queens Birthday, Monday, June 4.

Normal deliveries to householders will resume on Tuesday, June 5.

BIG NEW DANCE AT LAVERTON

Eight-piece pop ensemble, Bulk Hassles, head the bill at "Peru-City", a new dance which opens at the Laverton Memorial Hall, this Saturday night.

Promoted as an experiment in peace and rock, the dance will be the first regular Saturday night affair in Laverton since the days of Run-Way 69, six years ago.

Bulk Hassles are easily one of the most exciting bands on the Melbourne scene at the moment. The band features two drum-

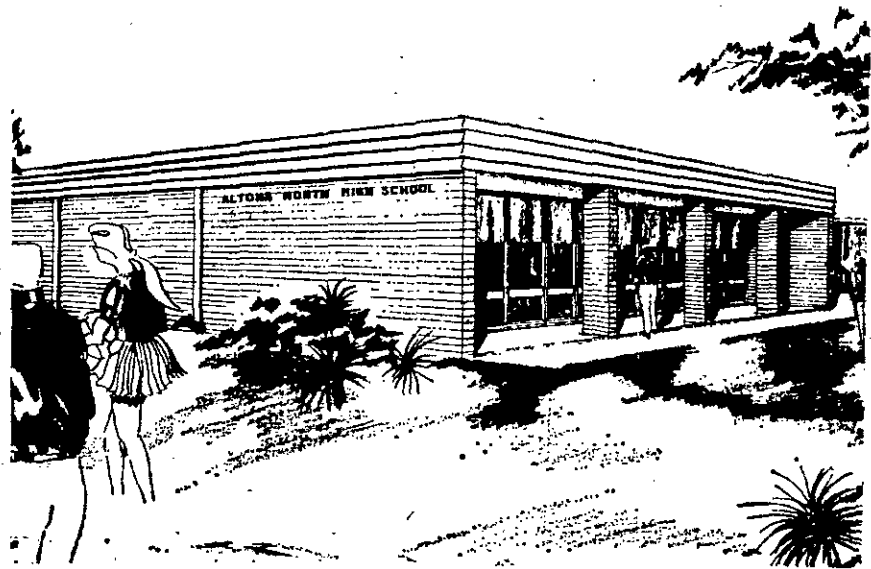

mers, piano, sax, trumpet, two guitarists and a singer. Other members in the band are also vocalists. Bulk Hassles will be supported by St. Albans singer, Brendan Sidebottom and an exciting new group called Fragility.

Coffee and drinks will be on sale and admission will be \$1.50.

The promoters have organised the dance in such a way that there will be non-stop music from 8 p.m. to 11.30 p.m. There will also be a light show.

ALTONA NORTH HIGH SCHOOL LAUNCHES APPEAL

The appeal to be known as the "PEGASUS APPEAL '73" will be officially launched in June with a Cocktail party Smorgasbord sponsored by Petroleum Refineries of Australia Pty. Ltd. to which representatives of industry, Local, State and Federal Government will be invited.

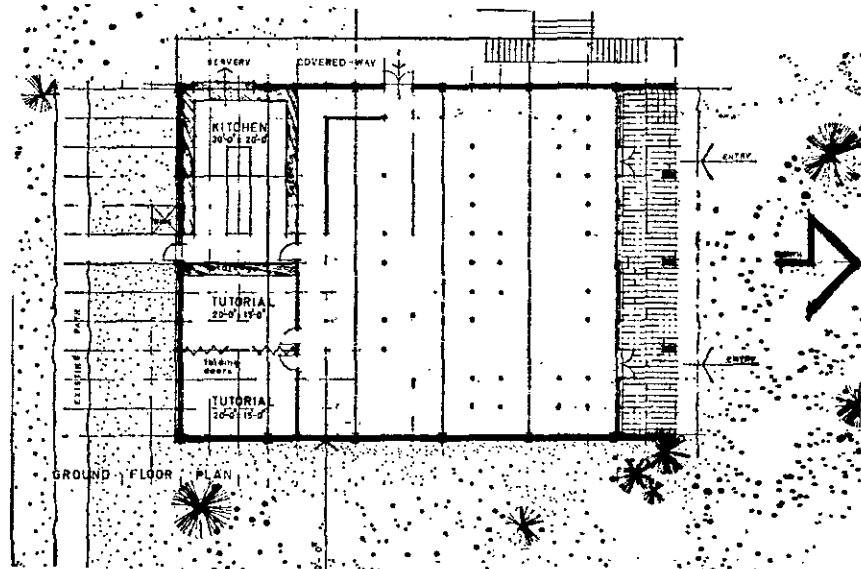

ARTISTS IMPRESSION OF MIGRANT EDUCATION CENTRE/CAFETERIA

This appeal will attempt to raise \$20,000 for the construction of a Migrant Education Centre/Cafeteria. This complex will fulfil a twofold purpose. That of providing facilities for the language needs of students of the school and of the new sub-community. At the same time it would be used as a cafeteria for approximately 2 hours each school day.

The acquiring of a country centre so that students of Altona North High School would be able to get away from the city environment and enjoy some time each year in a rural setting. The school proposes that such a centre would be able to cater for approximately 40 students at any one time in addition to supervisory staff.

The Education Department is to build a 48 ft. by 24 ft. classroom to replace space lost through staffroom conversion which is to take place in the very near future. The school wishes to make the widest possible use of the new room and so intends to equip it as a multi-purpose classroom with facilities for films, television, drama, etc.

Every school lacks all the equipment it needs to carry out its educational programme to the fullest. Altona North High School is not alone in this. Part of the moneys raised by the appeal will be used to purchase audio-visual equipment which will enable a wider approach in teaching.

FLOORPLAN OF MIGRANT EDUCATION CENTRE/CAFETERIA

Such projects are very worthwhile and ambitious. If the appeal is successful Altona North High School will be the first high school in Victoria to have cafeteria facilities for all its students. The school would stagger lunch hours so as to ensure this.

Many functions are planned to raise the \$20,000 sought by the "PEGASUS APPEAL '73".

Altona North High School will raffle a Torana 2 door De Luxe. Tickets are now available from several stores throughout the district or from the school direct at \$2 each.

A Walkathon is planned for Friday June 22nd, a dinner dance on August 2nd and the annual Altona North High School Quest for which the prize will be a trip for two to either Sydney or Hobart, whichever the winner prefers.

ALTONA NORTH HIGH SCHOOL LAUNCHES PEGASUS APPEAL '73 FOR \$20,000

- for 1. A Cafeteria/Migrant Education Centre
2. A Country Centre
3. Equipping of a Multi-Purpose Room
4. The Provision of other Essential Audio-Visual Equipment.

HOW YOU CAN ASSIST

In the near future request will be made for donations from people in the Western suburbs and from local industry in particular.

It is hoped that when your assistance is sought that you will give gladly and generously. Donations of \$2 or more will be tax deductible.

THE SCHOOL COMPLEX

In the past years a Commonwealth Science Wing has been added to the school and a Commonwealth library has been promised by the Education Department and construction is expected to commence in the near future.

The Richard McGill Memorial Assembly Hall has been completed and paid for. It is anticipated that the grounds development project, the staff room conversion and the construction of a new classroom 48 feet by 24 feet will be completed before the end of 1973.

MULTI PURPOSE CLASSROOM

It is proposed to develop this new room as a multi-purpose classroom, to be used as an open classroom with facilities for films, television, discussions, lectures and

drama. This would ensure that the widest possible use would be made of the extra large room.

COMPLETION OF COMPLEX

The addition of a migrant education centre/cafeteria, the development of a multi-purpose classroom and the acquisition of a country-centre would complete the development of the Altona North High School.

Such facilities would improve the learning facilities of the students and would go a long way towards attracting and retaining staff in this area.

Altona North High School is situated on 15 acres on the corners of Millers and McArthurs Road, Altona North.

It began in 1960 with 85 students and ten years

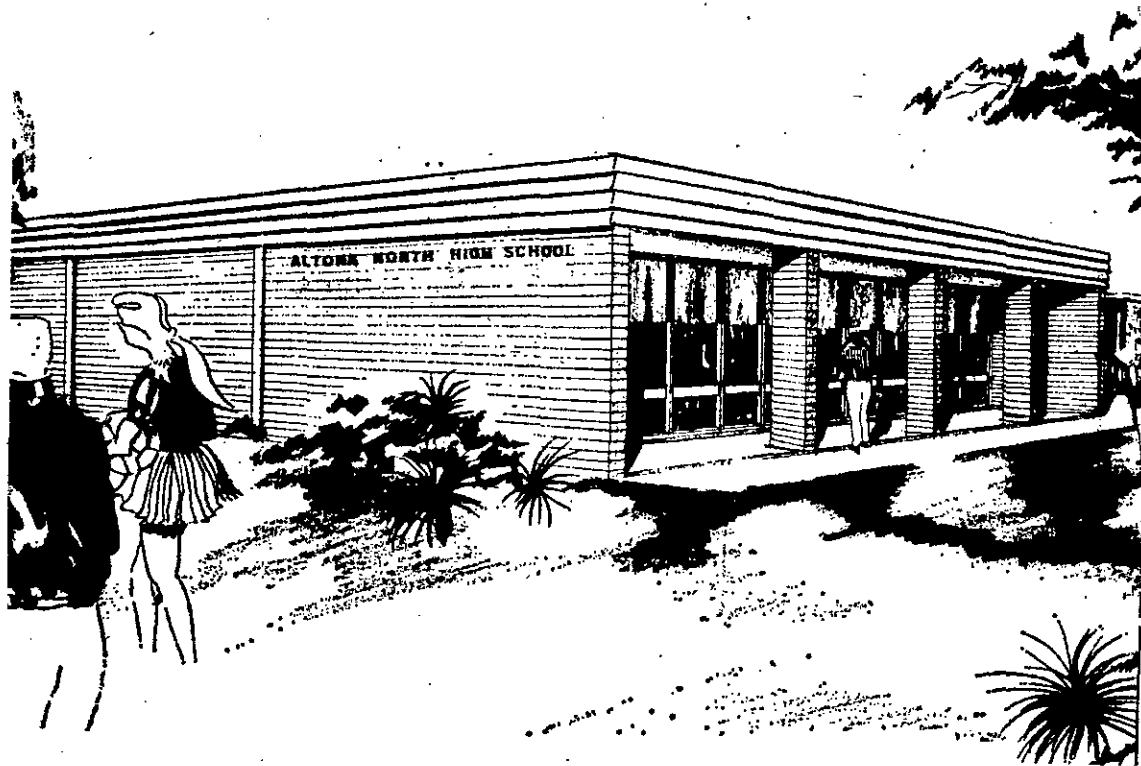

later there were over 1000. A recent survey showed that many of the students of the school were of southern European origin and one-quarter of their parents could neither read nor write English.

CAFETERIA/MIGRANT EDUCATION CENTRE

The Altona North High School urgently requires a Migrant Education Centre rather than the ill-equipped school laundry at present being used for this purpose. This centre would be used by students during school

hours and by adults from the western suburbs during the evenings and hence would greatly assist in the integration of a great many of our local residents.

SUCH A CENTRE IS POSSIBLE WITH YOUR HELP

This special Migrant Education facility would also be used as a cafeteria by the students of Altona North High for approximately two hours each school day.

At present students throughout Victoria lack adequate dining facilities.

A school cafeteria to seat half the school at a time would have a tremendous socialising effect. By staggering lunch-times this service would be available to all students.

CAN YOU HELP ALTONA NORTH HIGH SCHOOL BECOME THE FIRST STATE HIGH SCHOOL IN VICTORIA TO HAVE CAFETERIA FOR ALL STUDENTS?

COUNTRY CENTRE FOR ALTONA NORTH HIGH

A country centre is a form of school camp in a rural setting with permanent accommodation for students and supervisory staff.

Such a centre would enable subjects and topics not normally taught in a city classroom being made available to students of Altona North High.

It would also enable the students to enjoy at least one week per year with peer groups in a different, but controlled, environment.

A vast range of outdoor activities, for example hiking, map reading, climbing, bushcraft and survival, etc., would be of benefit to students.

Living as a group is a most valuable experience in human relations and one to which all young people should be exposed.

FIGHT TO AVERT COMMISSION

Cont. from page 1

"We have heard Mr. Gaskin say today that this is a \$50 million job, so we must get in for our bite", said Cr. Stewart.

"These people are entitled to facilities. I have information on what is available at the Commission's Deveney Park Estate.

"If as they say, they'll bring in 8000 people, that will give us a population increase of 25 per cent. Unless the Commission does what it did at Deveney Park, we'll have nothing to hold our heads up or blow our bags about".

"The point that disturbs me is the four-storey high-rise", said Cr. Stewart.

"If they're going to dump these people with out facilities, we'll have a lovely little 8000 people ghetto", said Cr. Richards.

BATMAN RETURNS TO WILLIAMSTOWN

An exciting re-enactment of the Batman Treaty will take place in Williamstown on Monday, June 4, (Queen's Birthday), to commemorate the 138th anniversary of Melbourne's founding.

The event will be remembered, when "John Batman" (Brian Gunst), "James Gumm" (Paul Harcourt) and two Aborigines (Ralph Nicholls and Fred Cooper) leave by helicopter from Fearon Reserve, Williamstown, at 9 a.m. on June 4, after a short ceremony of farewell.

Progressively, the helicopter will move to Keilor, over the Bundoora Tribal Grounds (now La Trobe University), towards the Plenty River, Eltham, then south to Fairfield Park, Northcote.

Here, the party will be welcomed by the Mayor and councillors of Northcote and a group of Aborigines.

Sir Douglas Nicholls will join the party, which will fly to the Yarra Heliport.

After a short welcome, the party will proceed by horsedrawn coach past the sites associated with John Batman and then to the John Batman Motor Lodge, where a function will end with the cutting of the 138th anniversary cake by a descendant of John Batman.

Batman returned to Launceston in August, 1835. Lancy and Evans reached the Melbourne area and proceeded to construct the first house on the south bank of the Yarra.

Mr. Will Evans of Williamstown, who is looking after the local arrangements in Williamstown, is a descendant of the Evans of 1835.

John Batman landed from the "Rebecca" with a party of three other white men and seven Aborigines in the afternoon of June 2, 1835, in the area of present day Williamstown.

He followed the Saltwater River (the Mar-

CORPORAL'S REUNION

Former members of the Corporals Club RAAF Base, Laverton, who would like to attend a 20th reunion at the Laverton base on Saturday, July 14, are asked to contact the following people for further details.

Warrant Officer C. C. Smith, RAAF Academy, Point Cook, Ex. Consea. 279, or Warrant Officer W. Stillwell, No. 1 Flying Training School, Point Cook, extension 321, who will be happy to give further details.

You don't need them

People can do without toilet facilities at Galvin and Mobiltown Stations, the State Minister of Transport, Mr. V. F. Wilcox wrote to Mr. A. W. Knight, MLC for Melbourne West in reply to his request on behalf of residents.

The toilets formerly at these stations were removed because repeated vandalism made it impossible to keep them functional, Mr. Wilcox said.

As far as Galvin was concerned, all trains servicing the station had toilets.

At Mobiltown, the patronage of trains was said to be exclusively from the staff at nearby factories, who would not have to wait long at the station.

The railways had considered restoring the toilet facilities but were unable to agree to the request.

Little Athletic chairman retires

The incoming chairman of the Altona Little Athletics Centre, Mr. S. Clement, moved a vote of thanks to the retiring chairman, Mr. George Nevitt last week.

Mr. Nevitt has been chairman of the centre since its inception four years ago.

In reply, Mr. Nevitt said he had enjoyed the work as chairman and the highlight of his time was the construction of the Little Athletics ground by the council and the successful running of the recent divisional championship on it.

During the annual meeting on May 23, Cr. Ray Richards was elected pre-

sident of the Altona centre for the coming season with Mr. S. Clements as chairman and Mrs. E. Sullivan as registrar.

Results of the Little Athletics Cross Country championship held at the You Yangs last Sunday are:

GIRLS

Under 7 1000 metres: J. Smith (A) 5.59; Under-8 D. Smith (W) 4.40; Under-9: K. Wooding (W) 4.11; Under-10: M. Dodd (W) 4.21.

Under-12 2000 metres: L. Turner (A) 12.25; Under-13: C. Harrison (A) 9.28.

BOYS

Under-7 1000 metres: J. King (W) 4.22; Under-8: D. Hyde (W) 4.09;

Under-9 2000 metres: S. Robinson (W) 7.54; Under-10: P. Hyde (W) 10.10; Under-11, 3000 metres: J. Harrison (A) 14.17; Under-12: S. Green (W) 13.22.

The new committee also comprises: Cross Country — Mr. G. Hyde; press and public relations — Mrs. G. Knell; officials — Mr. N. Deller; club liaison — Mr. G. Thompson; track and field — Mr. P. Dodd; championship special meetings — Mr. J. Green; technical requirements — Mr. J. Knight; records and ranking — Mr. A. Barling; coaching and education — Mr. J. Meadham; treasurer — Mrs. V. Monkivitch; secretary — Mrs. S. Biggs.

ROB IS A VIC.

Williamstown Amateur Athletic Club member, Robert Hall, has been selected to represent Victoria at the Australian championships, on July 7.

Robert's appointment followed an impressive 29.32 time to run second at the recent Victorian cross country championships.

Clubman Aero Kernen was awarded a bronze medal, running third in the Under-19 championship race on May 13.

**MANY** enquiries have been made recently by people receiving accounts for water supplied by the Board.**W**ATER is supplied through a meter like gas and electricity and after the meter is read the value of water used is calculated and compared with the amount already charged as a water rate. If the value of the water used is higher than the water rate charged, an account for the difference is rendered.**T**HE price of water was increased from 25 cents to 40 cents per 1,000 gallons on the 30th June, 1971, and the accounts in question are the first received by householders at the new price

which became effective for all annual meter readings from August, 1972.

THE accounts are based on water actually used and measured by the meter and those currently being issued relate to water used during the 12 months prior to the annual meter reading and generally include consumption during the dry periods experienced last autumn, winter and spring when usage was higher than normal. They need not reflect any reduced consumption during the last drought when severe restrictions applied for about two months.**FURTHER SEWER EXTENSIONS**

Further sewer extensions at Altona at an estimated cost of \$668,934 have been approved by the Board as part of its continuing program to provide sewerage to the existing developed area. The extensions will serve 222 properties in the area bounded generally by Railway Street South, Esplanade, Grieve Parade and Webb Street. The sewers will be laid in water bearing sands at depths up to 20 ft. and special dewatering techniques will be used.

WORK will start next month on the widening of High Street, St. Kilda, to remove one of Melbourne's worst traffic bottlenecks. The street will be widened from 66 ft. to 191 ft. with three vehicle lanes and a stopping lane on each side of a median strip in which trams will be located. Total cost of the project, including the acquisition of properties and the relocation of services, is an estimated \$8 million.**A**s part of its policy of providing sewerage facilities in new subdivisions pending the availability of main sewers, the Board has accepted tenders for the supply of 14 neighbourhood treatment plants at an estimated cost of \$404,000. These plants will make a significant contribution to pollution control by providing a high standard of treatment of household wastes and reducing the need for installation of septic systems.Enquiries welcomed

CYMS too good for the leader

Williamstown CYMS defeated top ranked team West Ivanhoe last weekend.

CYMS produced its best form this season to streak away to a convincing 55 point victory.

With winning rucks and rovers, Willy went straight into attack and had a goal on the board in the first minute of play.

Town were combining together, taking the ball forward rapidly.

The Willy backs were playing close and hard, limiting their opponents' opportunities.

At quarter time, Town had a handy three goal

lead. The second quarter was even, but Williams-town managed to grab a little better of duels in vital positions.

The opposition were being frustrated by vain attempts to get their game going.

West Ivanhoe started the third term strongly and were on top for the first 10 minutes.

As the quarter progressed the Williamstown backs tightened up their game again and made it difficult for West's forwards to score.

By the end of the quarter Willy were on top again and scores were even for the term.

A determined Williams-town came out and played some magnificent football in the final quarter.

They were on top in the air all over the ground.

With handball and backing up, kicking the ball a long way, Williamstown scored seven goals to two — running out comfortable winners.

Final scores: Williams-town 19.11 (125) d. West Ivanhoe 10.10 (70).

Best players: B. Blott, R. Grima, J. Murphy, W. Rosenzweig, R. Wendt.

Goals: R. Grima 5, R. Zammit 4, W. Rosenzweig, R. Wendt 3, D. Wilkie 2, B. Norton, J. Rollason.

Seconds

A mobile Mentone team were well on top in the first quarter.

Town's backs tried hard to stem the flow and managed to force the opposition into committing sinful errors. In the second term, Town played their best football for the match, outscoring Mentone.

Town used handball to advantage to bring the ball forward.

Although Town tried hard in the third quarter they were no match for their bigger opponents, who dominated in the air.

The final quarter was even as Town tried hard to get back into the game.

However, Mentone ran out easy winners.

Final scores: Williams-town 7.4 (46) lost to Mentone 12.15 (87)

Best Players: R. Featherston, W. Collinder, D. Henry, K. Hailey.

Williamstown CYMS has a bye on June 2. The following weekend, the seniors meet Flemington at home and the seconds battle Flemington at home.

Methodists have 155-point win

Williamstown Methodists were too strong for an inexperienced South Kingsville last weekend.

Methodists strolled away to a 155 point win.

Scores: Williamstown Methodists 26.25 d. South Kingsville 5.6.

Goals: Walsh 7, Foster 4, Russell 3, Fry, Elly 2, Raeside, Speechley, Humphries, Bult, Viney, Davies, Serong.

Best: Raeside, Walsh, T. Humphries, A. Fry, R. Serong.

The under 17 squad lost to Port Melbourne Fourths — 20.16 to 4.8.

Goals: T. Hall 2, J. Bell, P. Miller.

Best: T. McVeigh, Phefley, Vasil, J. Bell.

The Under 15 crew were defeated by Holy Trinity. Final scores are not to hand.

The Under 13 team defeated Hoppers Crossing 4.10 to 2.0.

Goals: T. Jones 2, Barrett, Toby.

Best: Doyle, Jones, Barnaby, Hill, Fullwood.

The Under 11 lads lost to Altona NBYC by 3.8. Final scores were 6.1 to 9.9.

Goals: P. Dorgan 4, Swann, Elliott.

Best: Elliott, Dorgan, Mitvalsky, Peirce, Holder.

Williamstown Methodists will stage its annual old players versus present players spectacle at Fearon Reserve, on Monday, June 4, at 9.30 a.m.

Under 11, 13, 14 and 15 will play inter-association matches at Sunshine football oval, on Monday, June 4.

Supper dance tickets are still available from the club's coaches.

Rugby news

Westgate Junior Rugby Union (VRJU) details last weekend are as follows:-

UNDER 16

Players — and spectators — experienced a tense match.

Remarkable tenacity and purpose was shown by Altona forwards, Kevin Brickley, Steven White, David Forbes and Bill Rae in seeking ball possession.

William McKendrick notched more than his share at hooking the ball and Grant Anderson and Pat Mills showed good control in the scrums.

David Philippott and David Forbes combined well to win lineouts. Peter Phillips was quick in the loose. Greg and Wayne Gordon had many hard runs and gave as many tackles as they took.

Much the same story would be told by Croydon, and the scores were nil to either team until Richard Pope put through a penalty goal.

Scorers: Altona 3, Croydon nil.

Scorers: Goal, Richard Pope.

Best: Fred Bondin, Richard Pope, Kevin Brickley.

UNDER 14

Newport (Westgate) filled up its team with under 12s to replace players who were away on school holidays.

In the second half Box Hill took control, as playing their second match for the morning caught up with the U-12s.

Full credit goes to Darren Anderson, Brendon Humphries, John Rodgers, Paul Chetcuti and Sam Campagna. The tackling exhibition given by Paul Chetcuti shamed the U-14s.

Marengo Cetinic returned after a break last season and showed that he had not lost any of his skill and determination.
